

# Watercolor Portraits and Figures from Photos

2020 Workshop presented by Michael Holter

*Sponsored by the Madison Watercolor Society*

*"My work is impressionistic. I like to represent people or places and allow the painting to evolve from the structure of what is recognizable. The challenge is to balance the care needed to make the representation interesting... and perhaps believable, with the freedom, looseness and painterly quality that makes painting so unique and expressive." – Michael Holter*

Michael is a member of the Salmagundi Club, a signature member of The National Watercolor Society, The American Impressionist Society, The Watercolor Honor Society, The Transparent Watercolor Society of America, The Outdoor Painter Society, the Southwestern Watercolor Society, The Missouri Watercolor, The Society of Watercolor Artists and more.
